PHILADELPHIA ROOTS ▶ GLOBAL REACH

Tonight we celebrate the remarkable roots and rising global presence of the Curtis Institute of Music, as the Curtis Symphony Orchestra prepares to embark on a momentous European tour. This evening's program, under the direction of Osmo Vänskä, previews tour repertoire our students will perform in the leading concert halls of Finland, Germany, England, Austria, and Poland.

Since 2008, Curtis on Tour, the Nina von Maltzahn global touring initiative, has provided today's finest young talent with the opportunity to tour the globe alongside renowned alumni and faculty. Tour performances are an embodiment of the school's "learn by doing" philosophy, offering students real-world, professional touring experience alongside celebrated alumni and faculty and including master classes, interactive programs, and community engagement activities.

Shaped in Philadelphia and heard around the world, our students give us reason to celebrate!

*Curtis is grateful for the generosity of its gala supporters.*
